Honorable Commissioner of Patents and Trademarks

Dear Sir:

In response to the communication from the examiner, dated 11/27/2007, please amend the application as follows: It should be noted in the 8/31/06 amendment claims 1, 7 and 25 the upper wire diameter was .60 inch while claim 19 had the upper limit as .060 inch. The following is the 8/23/07 response corrected to reflect the examiner's suggestion. In claims 1, 7 and 25 the upper value, .060, is underlined and in claims 1, 7, 19 and 25 the underline from .025 has been removed.

Respectfully submitted,

Neil John Graham
